Mr. Gum Posey,
324-13th Ave.,
Homestead, Pa.

Dear Posey:

I had expected by this time to receive the check from Toledo for their franchise fee, I have had no further word since your letter to me.

I think you did a nice piece of work in going to Toledo and take Charleston, and if the deal goes through as planned, the expenses you incurred were certainly worthwhile.

I received a letter from Tom this Morning enclosing the form you had sent him from the Bank in Newark, he has signed it. Tom also verified the fact that there would be a Meeting in Phila on April 25th. Please let me know if Toledo is definitely in.

Very truly yours,

EM:CCJ

P. S. Please send me Charleston's address at once.
